Sportsmanship Agreement

Mid-State Youth Football and Cheerleading Conference was formed with the intent of offering a positive experience. Under this premise, athlete participation, sportsmanship, and the overall importance of a positive athletic experience takes precedence over winning. Representatives of MSYFCC, including but not limited to, MSYFCC board and director, commissioner, community presidents, and game officials have total control of and complete authority over all competition. All decisions made by these persons are final and have full support of MSYFCC.

These representatives are commissioned by MSYFCC to take action deemed necessary to guarantee a positive atmosphere for competition. To help ensure a positive atmosphere, athletes, coaches, and spectators are expected to do the following:

- Stand for the National Anthem
- Maintain self-control at all times
- Show respect for opponents
- Support your team in a positive manner
- Recognize and acknowledge good performance by all teams and individuals
- Be humble in victory and gracious in defeat

Unsportsmanlike conduct on the part of the players, coaches, managers, or spectators will not be tolerated and may result without warning in expulsion (team and/or individual) from MSYFCC. Unsportsmanlike conduct includes but is not limited to the following: fighting, trash-talking, taunting, foul language, verbal abuse/intimidation of opponents, game officials, and/or representatives of MSYFCC. No individual or team refunds will be given if expulsion occurs. It is expected that athletes, coaches, and spectators exercise total cooperation with these representatives at all times.

Tobacco and Alcohol Use Policy

Alcohol and tobacco of any form; vaping, chewing, cigarettes, etc. is not allowed on school grounds at any time, and is prohibited by law. Use or possession of alcohol or tobacco on school grounds will result in police involvement, possible fines, and will lead to being directed to leave school grounds. Thank you for continuing to create a safe environment while on school grounds.
